- We are preparing to have our first Tournament at Silverton Nov 19, followed by Estacada, Oregon City, and Barlow. Next Meeting Dec. 9th, Sunday.
- Please, Staple or Tape a COPY of your wrestlers' USA card to the back of their league weigh in slip. This will confirm current card purchase and will be a quick and easy reference in the bracket room when common questions arise.
- Clackamas Wrestling Club and Clackamas High School will host the 30-somethingth annual Art Reynolds Championships Jan 26, 2013. Their club and high school team will set up the tournament because of the late hour, however, we are responsible to cover all other jobs. INCLUDING CLEANUP, tables, weigh-ins, etc. Job list went around at meeting and will be available again at December meeting. After that, jobs will be assigned. There was discussion about having weigh-ins available Friday, Jan 25 from 7-9pm and then again Sat. 7-8am. We have never done this for the Art Reynolds tournament, but group seemed willing to try it.
- Art will order current NHSF Rule books to be made available to Club Coaches. Should be here by Dec. Meeting.
- Dec. 8 tournament at Barlow will need lots of League help; there high school team will be away. Also, they will set up a table for donations for Robert Paul, Sandy Triple Crown and High School Coach fighting Cancer.
- Note to talk to your table help regarding their matside etiquette: no texting, pay attention, etc.
- Coaches, remind Parents to behave...this is not the Olympics and EVERYONE is a volunteer.
- Discussion about the Classic committee purchasing 12 computers in conjunction with OSAA to move Classic and State tournaments into the Techno-age! Maybe we might be interested in learning if the League could use something similar, especially for the Art Reynolds.
- Flip Cards...Is your club "due" a set because you passed your probationary year and did not yet receive your cards? Speak up. Art will order cards in December. If you would like to place an order at the same time with Art, say so at the December meeting.
- Short discussion about the High School Team \$300/team USA Wrestling card special being offered in Oregon. Tony Black of USA Wrestling can help with questions. 719-659-9636
- OPEN Wrestlers MUST purchase their USA cards directly thru the USA website, www.themat.com

Theresa Lees denied her children treats and brought them to us, AGAIN. If you love torturing children vicariously, come to the meeting and enjoy Theresa's treats and send her home with an empty plate!
